Garden Power Product Range 2010

Product Range 2010

Flymo

Standard Hover Lawnmowers

Flymo

Micro Lite

Lightweight, electric hover mower that floats on a cushion of air for quick and easy mowing.

Specification	Micro Lite
Power	1000w
Cutting Width	28cm
Blade type	Plastic blades (easy change)
Cutting Heights	2 (10-33mm)
Cutting System	Cut, non collect
Cable Length	10m
Folding handles	Yes
Weight (unpacked)	4.5kg
Carton Dimensions	665 x 417 x 260mm
PNC	9632802-01

Floats on a cushion for easy manoeuvrability and cutting.

Lightweight making it easy to carry.

Easy to store.

Turbo Lite 330

Powerful lightweight electric hover mower that floats on a cushion of air for quick and easy mowing.

Specification	Turbo Lite 330
Power	1150w
Cutting Width	33cm
Blade type	Metal
Cutting Heights	4 (10-30mm)
Cutting System	Cut, non collect
Cable Length	10m
Folding handles	Yes
Weight (unpacked)	6.5kg
Carton Dimensions	690 x 435 x 295mm
PNC	9633308-01

Floats on a cushion for easy manoeuvrability and cutting.

Lightweight with easy fold handles, making it easy to carry.

Easy to store.

Turbo 400

Powerful electric hover mower that floats on a cushion of air for quick and easy mowing.

Specification	Turbo 400
Power	1500w
Cutting Width	40cm
Blade type	Metal
Cutting Heights	5 (15-41mm)
Cutting System	Cut, non collect
Cable Length	12m
Folding handles	Yes
Weight (unpacked)	7.5kg
Carton Dimensions	675 x 530 x 320mm
PNC	9634100-01

Floats on a cushion for easy manoeuvrability and cutting.

Lightweight with easy fold handles, making it easy to carry.

Easy to store.

Hover Collect Lawnmowers

Flymo

Mow n Vac

The easiest way to cut and collect grass... a vacuum for the lawn. Floats on a cushion of air and cuts easily in any direction.

Specification	Mow n Vac
Power	900w
Cutting Width	28cm (plastic blades)
Cutting Heights	2 (10-33mm)
Cutting System	Collect
Collection Capacity	15 Litres
Cable Length	10m
Grass Box Full Indicator	Yes
Easi-reel	No
Folding Handles	Yes
Weight (unpacked)	6.5kg
Carton Dimensions	600 x 400 x 346mm
PNC	9632571-01

Compacts the grass for less emptying.

Hover Compact 300

Lightweight, grass collecting electric hover mower.

Specification	Hover Compact 300
Power	1400w
Cutting Width	30cm
Cutting Heights	4 (10-30mm)
Cutting System	Collect
Collection Capacity	20 Litres
Cable Length	12m
Grass Box Full Indicator	No
Easi-reel	No
Quick Fold Handles	Yes
Weight (unpacked)	7.6kg
Carton Dimensions	800 x 440 x 425mm
PNC	9633030-01

Easy to remove and empty central grass box.

Compacts the grass for less emptying.

Turbo Compact 330

Advanced grass collecting electric hover mower. It cuts, collects and compacts into its central grass box for easy emptying.

Specification	Turbo Compact 330
Power	1500w
Cutting Width	33cm
Cutting Heights	4 (12-32mm)
Cutting System	Collect
Collection Capacity	30 Litres
Cable Length	12m
Grass Box Full Indictor	Yes
Easi-reel	No
Transport Rollers	Yes
Weight (unpacked)	11.5kg
Carton Dimensions	840 x 470 x 490mm
PNC	9633307-01

Collects and compacts more grass for less emptying.

Vision Compact 330

Advanced grass collecting electric hover mower. It cuts, collects and compacts into its central grass box for easy emptying.

Specification	Vision Compact 330
Power	1500w
Cutting Width	33cm
Cutting Heights	4 (12-32mm)
Cutting System	Collect
Collection Capacity	30 Litres
Cable Length	15m
Vision Window	Yes
Easi-reel	Yes
Transport Rollers	Yes
Weight (unpacked)	11.7kg
Carton Dimensions	840 x 470 x 490mm
PNC	9633306-01

Unique Vision window.

Collects and compacts more grass for less emptying.

Easi-reel cable storage

Glide Master 340 NEW 2010

Advanced grass collecting electric hover mower. It cuts, collects and compacts into its pop-up central grass box for easy emptying.

Specification	Glide Master 340
Power	1550w
Cutting Width	34cm (Metal blade)
Cutting Heights	4 (12-32mm)
Cutting System	Collect
Collection Capacity	30 Litres
Cable Length	15m
Vision Window / Easi-reel	Yes / Yes
Quick Fold Handles	Yes
Transport Rollers	Yes
Fully Assembled	Yes
Weight (unpacked)	11.3kg
Carton Dimensions	788 x 425 x 401mm
PNC	9669529-01

Unique Vision window. To see when the grass box full.

Collects and compacts more grass for less emptying.

Easy to remove and empty pop-up grass box design.

Easi-reel cable storage.

Quick fold handles for compact storage and easy transportation.

Glide Master 380

Advanced grass collecting electric hover mower. It cuts, collects and compacts into its pop-up central grass box for easy emptying.

Specification	Glide Master 380
Power	1750w
Cutting Width	38cm (Metal blade)
Cutting Heights	4 (12-32mm)
Cutting System	Collect
Collection Capacity	35 Litres
Cable Length	15m
Vision Window / Easi-reel	Yes / Yes
Quick Fold Handles	Yes
Transport Rollers	Yes
Fully Assembled	Yes
Weight (unpacked)	11.4kg
Carton Dimensions	788 x 445 x 401mm
PNC	9669531-01

Unique Vision window. To see when the grass box full.

Collects and compacts more grass for less emptying.

Easy to remove and empty pop-up grass box design.

Easi-reel cable storage.

Quick fold handles for compact storage and easy transportation.

Electric Wheeled Rotary Lawnmowers

Flymo

Venturer 32

Lightweight electric wheeled lawnmower with a rear roller for lawn stripes and easy cutting over edges.

Specification	Venturer 32
Power	1000w
Cutting Width	32cm (metal blade)
Cutting Heights	3 (20-60mm)
Height Adjust	Manual
Cutting System	Collect
Collection Capacity	29 Litres
Cable Length	10m
Vision Window	No
Rear Roller	Yes
Weight (unpacked)	8.9kg (incl. cable)
Carton Dimensions	610 x 370 x 325mm
PNC	9668551-01

Rear roller for stripes and cutting over edges.

Venturer 32 & Mini Trim multi-pack

Powerful electric wheeled lawnmower and lightweight easy to use grass trimmer. All in one box.

Specification	Venturer 32
Power	1000w
Cutting Width	32cm (metal blade)
Cutting Heights	3 (20-60mm) Manual
Collection Capacity	29 Litres
Cable Length	10m
Rear Roller	Yes
Specification	**Mini Trim**
Power	230w
Cutting Diameter	21cm
Line Feed	Single Manual
Cable Length	6m
Carton Dimensions	610 x 475 x 325mm
PNC	9665046-01

Rear roller for stripes and cutting over edges.

Pac a Mow

Powerful lawnmower with a rear roller for stripes and easy cutting over edges. Packs away for neat and tidy storage.

Specification	Pac a Mow
Power	1200w Induction
Cutting Width	33cm (metal blade)
Cutting Heights	3 (20-60mm)
Height Adjust	Manual
Cutting System	Collect
Collection Capacity	29 Litres
Cable Length	12m
Vision Window	Yes
Rear Roller	Yes
Weight (unpacked)	13.3kg (excl. cable)
Carton Dimensions	755 x 455 x 357mm
PNC	9643306-01

Easy to transport / carry

Vision window, allows you to see when the grass box is full.

Powerful lawnmower with a rear roller for stripes and easy cutting over edges.

Packs away for neat and tidy storage.

Roller Compact 340

Powerful and easy to manoeuvre electric lawnmower with roller. Collects and compacts more grass for less emptying.

Specification	Roller Compact 340
Power	1500W
Cutting Width	34cm (metal blade)
Cutting Heights	5 (20-75mm)
Height Adjust	Central
Cutting System	Collect
Collection Capacity	29 Litres
Cable Length	12m
Vision Window	Yes
Rear Roller	Yes
Weight (unpacked)	12.1kg (excl. cable)
Carton Dimensions	829 x 485 x 405mm
PNC	9643403-01

Rear roller for stripes and mowing over edges.

Collects and compacts more grass for less emptying.

Vision window – see when the grass box is full.

Easy to empty central grass box.

Multimo 340XC

Powerful, modern electric wheeled lawnmower with versatile 3 in 1 system and large wheels for easy mowing in all conditions

Specification	Multimo 340XC
Power	1500w
Cutting Width	34cm (metal blade)
Cutting Heights	5 (20-65mm)
Height Adjust	Central
Cutting System	3 in 1 Cut, Mulch, Discharge
Collection Capacity	40 Litres
Cable Length	15m
Easi-Reel	Yes
Rear Roller	Yes
Weight (unpacked)	12.8kg (excl. cable)
Carton Dimensions	785 x 478 x 425mm
PNC	9669576-01

One simple lever to change cutting height

Large rear wheels for easy manoeuvrability.

Large capacity grass collection box lifts through handles for easy removal

Easy fit mulch plug (included)

Folds away for easy storage

Multimo 360XC

Powerful, modern electric wheeled lawnmower with versatile 3 in 1 system and large wheels for easy mowing in all conditions

Specification	Multimo 360XC
Power	1500w
Cutting Width	36cm (metal blade)
Cutting Heights	5 (20-65mm)
Height Adjust	Central
Cutting System	3 in 1 Cut, Mulch, Discharge
Collection Capacity	40 Litres
Cable Length	15m
Easi-Reel	Yes
Rear Roller	Yes
Weight (unpacked)	13.1kg (excl. cable)
Carton Dimensions	785 x 478 x 425mm
PNC	9669591-01

One simple lever to change cutting height

Large rear wheels for easy manoeuvrability.

Large capacity grass collection box lifts through handles for easy removal

Easy fit mulch plug (included)

Folds away for easy storage

Multimo 420XC

Powerful, modern electric wheeled lawnmower with versatile 3 in 1 system and large wheels for easy mowing in all conditions

Specification	Multimo 420XC
Power	1700w
Cutting Width	42cm (metal blade)
Cutting Heights	5 (20-65mm)
Height Adjust	Central
Cutting System	3 in 1 Cut, Mulch, Discharge
Collection Capacity	50 Litres
Cable Length	15m
Easi-Reel	Yes
Rear Roller	Yes
Weight (unpacked)	13.8kg (excl. cable)
Carton Dimensions	795 x 580 x 425mm
PNC	9668390-01

One simple lever to change cutting height

Large rear wheels for easy manoeuvrability.

Large capacity grass collection box lifts through handles for easy removal

Easy fit mulch plug (included)

Folds away for easy storage

Electric / Cordless Grass Trimmers

Flymo

Mini Trim ST

Lightweight easy to use grass trimmer.

Specification	Mini Trim ST
Power	230w
Cutting Diameter	21cm
Line Diameter	1.5mm silent
Line Feed	Single manual
Cutting System	Trim Only
In-line Edging	No
Plant Guard	No
Cable Storage	Yes
Cable Length	6m
Weight (unpacked)	1.6Kg (excl. cable)
Carton Dimensions	570 x 197 x 120mm
PNC	9669519-01

Cable Storage

Easy grip handle for comfortable use

Power Trim

Electric grass trimmer and lawn edger. The quick and easy way to trim and edge the contours of your lawn.

Specification	Power Trim
Power	300w
Cutting Diameter	23cm
Line Diameter	1.5mm silent
Line Feed	Dual Auto
Cutting System	2 in 1 (Trim & Edge)
Edging	Yes
Plant Guard	No
Cable Storage	No
Cable Length	12m
Weight (unpacked)	2.7Kg
Carton Dimensions	624 x 217 x 146mm
PNC	9648641-25

Dual auto line feed

300w motor makes trimming tough areas easy

Plant guard folds away for easy in-line edging.

Power Trim 500XT

Powerful electric grass trimmer and lawn edger. The quick and easy way to trim and edge the contours of your lawn.

Specification	Power Trim 500XT
Power	500w
Cutting Diameter	25cm
Line Diameter	1.5mm silent
Line Feed	Dual Auto
Cutting System	3 in 1 (Trim, Edge, & Shrub)
Edging	Yes
Fully Adjustable	Yes
Cable Storage	Yes
Cable Length	12m
Weight (unpacked)	3.6kg (excl. cable)
Carton Dimensions	500 x 300 x 150mm
PNC	9669526-01

Dual auto line feed

Plant guard preserves line and protects plants and shrubs

Edging is made easy

Shrubbing mode allows awkward areas to be tackled

Adjustable handles gives excellent ergonomics

Power Trim 600HD

Heavy duty electric grass trimmer and lawn edger. Features heavy duty line and speed control for tackling extra tough conditions.

Specification	Power Trim 600HD
Power	600w
Cutting Diameter	26cm
Line Diameter	2mm Heavy duty line
Line Feed	Dual Auto
Cutting System	2 in 1 (Trim & Edge)
Edging	Yes
Speed Control	Yes
Cable Storage	Yes
Cable Length	12m
Weight (unpacked)	3.5kg (excl. cable)
Carton Dimensions	500 x 300 x 150mm
PNC	9669536-01

- **Lasts longer than conventional line**
- **Tackles tougher conditions**
- **Reduces inconvenient line breakages**

Dual auto line feed

Contour Power Plus Cordless

Cordless grass trimmer and lawn edger.
Twice the battery capacity of
conventional Cordless Grass Trimmers.

Specification	Contour Cordless
Power	12v / 7 Ahr (Lead acid)
Cutting Diameter	25cm
Line Diameter	1.5mm silent
Line Feed	Single Auto
Cutting System	2 in 1 (Trim & Edge)
In-line Edging	Yes
Run Time	30 mins
Charge Time	10 hrs
Fully Adjustable	Yes
Weight (unpacked)	5.5Kg
Carton Dimensions	540 x 380 x 150mm
PNC	9648645-25

• High capacity battery with no memory effect

Cordless freedom for quick and easy results. Comes complete with storage bracket.

Powerful trimming around obstacles.

Unique wheel for accurate in-line edging.

Full adjustable for comfortable use.

Comes with tidy storage bracket and integrated battery charger.

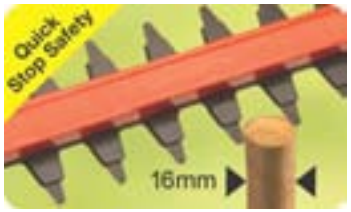
Electric / Cordless Hedge Trimmers

Flymo

EasiCut 450

Powerful electric hedge trimmer. Unique handle design for easy and comfortable trimming of hedges and bushes.

Specification	EasiCut 450
Power	450W
Blade Length	45cm
Blade Gap	16mm
Blade Stopping Time	0.5 sec
Blade Type	Dual Reciprocating
Blade Finish	Diamond Ground
Extended Reach Handle	No
Belt clip	Yes
Cable length	12m
Weight (unpacked)	3.1kg (excl. cable)
Carton Dimensions	960 x 138 x 200mm
PNC	9648181-01



Diamond ground double action blades for a faster, neater finish.

Unique central handle designed for easier, safer use.

Spiral self retracting safety cable with belt clip.

EasiCut 600XT

Powerful hedge trimmer. Unique handle design with extended reach for easy and comfortable trimming of hedges and bushes.

Specification	EasiCut 600XT
Power	500W
Blade Length	60cm
Blade Gap	22mm
Blade Stopping Time	0.5 sec
Blade Type	Dual Reciprocating
Blade Finish	Diamond Ground
Extended Reach Handle	Yes
Belt clip	Yes
Cable length	12m
Weight (unpacked)	3.5kg (excl. cable)
Carton Dimensions	1215 x 138 x 200mm
PNC	9648183-01

Diamond ground double action blades for a faster, neater finish.

Unique central handle designed for easier, safer use with extended reach handles.

Spiral self retracting safety cable with belt clip.

EasiCut 6000XT

Electric hedge cutter with superior cutting performance, powerfully cuts and shapes larger hedges and bushes.

Specification	EasiCut 6000XT
Power	600W
Blade Length	60cm
Blade Gap	27mm
Blade Stopping Time	0.5 sec
Blade Type	Dual Reciprocating
Blade Finish	Laser Cut Diamond Ground
Extended Reach Handle	Yes
Belt clip	Yes
Cable length	12m
Weight (unpacked)	4.2kg (excl. cable)
Carton Dimensions	1280 x 250 x 225mm
PNC	9648185-01

Laser cut, diamond ground double action blades for a faster, neater finish.

Multiple handles designed for easier, safer use, with extended reach handles.

Spiral self retracting safety cable with belt clip.

FreeStyler

Lightweight Cordless Trimmer and Clipper with shear blade and clipper

Specification	FreeStyler
Power / Capacity	3.6V / 1.6 Ahr
Battery type	Lithium Ion
Run Time / Charge Time	45 minutes / 5 hrs
Number of Blades	2 (clipper & shear)
Blade Length (Shear)	20cm
Blade Width (Clear)	8cm
Blade Finish (Shear)	Diamond Ground
Blade Finish (Clipper)	Diamond Ground / Non Stick
Wall Mounted Storage	Yes
Weight (unpacked)	0.6kg
Carton Dimensions	350 x 125 x 160mm

Clipper blade is ideal for trimming small areas of grass and bushes.

Lightweight, cordless design makes topiary easy.

Easy change blades.

Shear blade makes trimming of small hedges and bushes easy.

Wall mounted storage unit.

EasiCut 500CT

Powerful cordless hedge trimmer. Designed for easy and comfortable trimming of hedges and bushes.

Specification	EasiCut 500CT
Power	18v / 1.3 Ahr (Ni-Cad)
Blade Length	50cm
Blade Gap	15mm
Blade Stopping Time	0.5 sec
Blade Type	Dual Reciprocating
Blade Finish	Diamond Ground
Battery Charger	Yes
Run Time	27 mins
Charge Time	5 – 6 hrs
Weight (unpacked)	3.2kg
Carton Dimensions	1040 x 165 x 190mm
PNC	9648188-01

Cordless freedom of movement.

Diamond ground double action blades for a faster, neater finish.

Battery charger included with removable Ni-Cad battery.

SabreCut

Hedge Trimmer – The most powerful ‘Easy Reach’ battery powered telescopic reach hedge trimmer from Flymo.

Specification	SabreCut
Power / Capacity	24v / 4.5Ahr (Lead Acid)
Run Time (cutting)	55mins
Charge Time	24 hrs
Blade Length	42cm
Blade Gap	15mm
Blade Type	Dual Reciprocating
Blade Finish	Diamond Ground
Cutting Head Angle	-10 to 80 Degrees range
Extendable Reach	Yes
Weight (unpacked)	7.2kg (incl. battery pack)
Carton Dimensions	815 x 160 x 170mm
PNC	9648170-01

24v
4.5Ahr

Available Accessories

SabreTrim

SabreSaw

SabreBlow

Twin action blades for a neater finish.

Cuts up to 330m2 on a single charge.

Extendable reach and tilting head for cutting hedge tops.

Tidy storage system with integrated battery charger.

Battery pack makes SabreCut light & easy to use.

Sabre System Accessories

Flymo

SabreTrim Attachment

Grass trimmer Attachment- Powerful and easy to use with portable battery pack for cordless freedom (battery not included).

Specification	SabreTrim Attachment
Power / Capacity	24v / 4.5Ahr (Not included)
Run Time (cutting)	45mins
Charge Time	24 hrs
Cutting Diameter	25cm
Line Diameter	1.5mm silent
Line Feed	Single Auto
Cutting System	3 in 1 (Trim, Edge & Shrub)
In-line Edging	Yes
Fully Adjustable	Yes
Weight (unpacked)	1.9kg (Attachment only)
Carton Dimensions	300 x 320 x 200mm
PNC	9646617-62

24v
4.5Ahr

Twin action blades for a neater finish.

Cuts up to 330m2 on a single charge.

Extendable reach and tilting head for cutting hedge tops.

Tidy storage system with integrated battery charger.

Battery pack makes SabreCut light & easy to use (battery not included).

SabreSaw Attachment

The telescopic pole and high powered battery system makes pruning of taller branches easy

Specification	SabreSaw Attachment
Power / Capacity	24v / 4.5Ahr (not included)
Run Time (cutting)	45mins
Charge Time	24 hrs
Bar Length	11cm
Chain Pitch	1.2mm
Kickback Protection	Yes
Chain Lubrication	Yes
Pruning Height	3m (average user)
Extendable reach	Yes
Weight (unpacked)	1.9kg (Attachment only)
Carton Dimensions	688 x 160 x 160mm
PNC	9646618-62

24v
4.5Ahr

Tidy storage system with integrated battery charger.

Battery pack makes SabreSaw light & easy to use.

SabreBlow Attachment

Interchangeable garden blower attachment for use with the Sabre Cordless System.

Specification	SabreBlow Attachment
Power / Capacity	24v / 4.5Ahr (not included)
Run Time (cutting)	30mins
Charge Time	24 hrs
Blow Speed	184km/hr
Adjustable Nozzle	Yes
Extendable Reach	Yes (Sabre handle)
Storage System	Yes
Weight (unpacked)	1.2kg (Attachment only)
Carton Dimensions	346 x 245 x 194mm
PNC	9646619-62

24v
4.5Ahr

Powerful blowing action.

Easy to access difficult places.

Tidy storage system.

Battery pack makes SabreBlow light & easy to use.

Electric Lawnrake

Flymo

Lawnrake Compact 3400

Powerful electric lawn rake with unique compacting collection box. Removes moss and thatch for a healthy lawn.

Specification	Lawnrake Compact 3400
Power	750w
Raking Width	34cm
Raking Heights	6 (-5mm to +8mm)
Raking System	Spring Tines
Collection Capacity	34 Litres
Enclosed Collection	Yes
Cable length	12m
Vision Window	Yes
Height Adjust	Manual
Weight (unpacked)	11.5kg (excl. cable)
Carton Dimensions	655 x 461 x 395mm
PNC	9668312-02

Easy to empty collection box for a tidy finish.

Powerful cylinder rake removes unwanted moss and thatch.

Vision window – see when the collection box needs emptying.

Collects and compacts moss and thatch for less emptying.

Electric Shredder

Flymo

Pac A Shredder

Powerful electric shredder with unique collection box for easy disposal of chippings. Safe and easy to use, it packs away for neat and tidy storage.

Specification	Pac A Shredder
Power	2500w
Max Feed Diameter	40mm
Feed Mechanism	Silent, notching
Feed System	Autofeed
Auto Reverse	Yes
Cutting Speed	40 rpm
Collection Capacity	62 Litres
Cable Length	5m
Weight (unpacked)	34kg
Carton Dimensions	600 x 390 550mm
PNC	9640113-01

Powerful and quiet auto-feed shredding.

Safe and easy collection in a large 62 litre removable bin

Easy opening action.

Folds away for neat and tidy storage.

.

Electric Blower Vacs

Flymo

GardenVac 2700W Turbo

Versatile 4 in 1 Blow n Vac with unique Jet Vac for wet leaves.

Specification	GardenVac 2700W Turbo
Power	2700w
Blow Speed	212 km/hr
Suction Capacity	250 l/s
Collection Capacity	40 litres
Shredding Facility	Yes (shredding line)
Shredding Ratio	3 : 1
Vac to blow	Slider
Wheel	No (available as an accessory)
Cable Length	12m
Weight (unpacked)	4.3kg (excl. cable)
Carton Dimensions	1067 x 241 x 370mm
PNC	9669527-01

Shreds leaves for less volume.

Versatile - can pick up all kinds of debris not just leaves.

Easy mode change with simple lever.

Jet vacuum for picking up wet leaves.

Scirocco 3000

Powerful electric garden blower and vacuum. The quick and easy way to clear leaves for a tidy garden.

Specification	Scirocco 3000
Power	3000w
Blow Speed	200 km/hr
Suction Capacity	180 l/s
Collection Capacity	45 litres
Shredding Facility	Yes (dirty fan)
Shredding Ratio	10 : 1
Vac to blow	Slider
Wheel	Yes
Cable Length	12m
Weight (unpacked)	5.22kg (excl. cable)
Carton Dimensions	910 x 290 x 230mm
PNC	9669528-01

Vacuums leaves for a neat and tidy garden.

10 : 1 shredding ratio to reduce volume.

Blow – Powerful blow function.

Quick access for easy cleaning.

Product Range 2010

Push Cylinder Lawnmower

GARDENA

Hand Cylinder Lawnmower 300

Push cylinder lawnmower with high quality blades with contact free cutting action for quiet and effort saving operation.

Specification	Hand Cylinder 300
Power	Push
Cutting Width	30cm
Cutting Heights	12 – 42mm (infinite)
Cutting Height Scale	Yes
Blade Type	Cylinder (4 edges)
Blade Finish	Hardened Non Stick Steel
Cutting Action	Contact Free (Quiet and effort saving)
Large Gripped Tyres	Yes
Rear Roller	Yes
Folding Handle	Yes
Weight (unpacked)	7.6kg
Art. No	4020-20

Up to 100m2

Easy, infinitely variable cutting height adjustment.

Hardened non stick coated steel blade for a clean and precise cut.

Large wheels with gripped profile for improved blade transmission.

Folding handle for compact storage and easy transportation.

Grass Catcher

Flexible large capacity lightweight grass collector to fit Hand cylinder lawnmower 300.

Specification	Grass Catcher
Fits	All GARDENA hand cylinder mowers
Collection Capacity	35 – 49 Litres
Foldable	Yes
Easy Assembly	Yes
Weight (unpacked)	1.5kg
Art. No	4029-20

Streamlined design

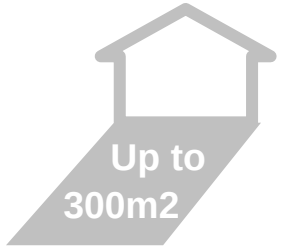
Grass catcher easily fastens to rear of GARDENA hand cylinder lawnmowers

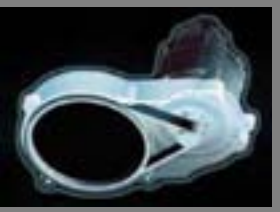
Electric Wheeled Rotary Lawnmowers

PowerMax 32E

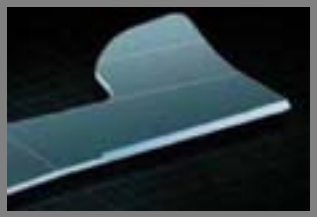
Powerful and convenient electric rotary lawnmower, features powerful PowerPlus, high power motor with high torque gear drive.

Specification	PowerMax 32E
Power	1200w PowerPlus
Cutting Width	32cm (precision metal blade)
Cutting Heights	5 (20-60mm)
Height Adjust	Central
Cutting System	Collect
Collection Capacity	29 Litres
Cable Length	12m
Soft Rubber Tyres	Yes
Rear Roller	Yes
Weight (unpacked)	8.5kg
Carton Dimensions	610 x 370 x 325mm
PNC	4033-28





PowerPlus motor for maximum cutting power



High performance precision ground blade for a perfect lawn finish

One simple lever to change cutting height

Light and easy to carry with centrally positioned carry handle

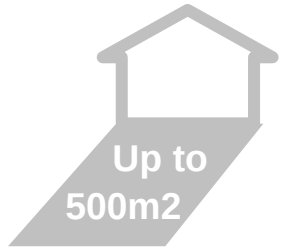
Easy to remove and empty 29 litre grass box

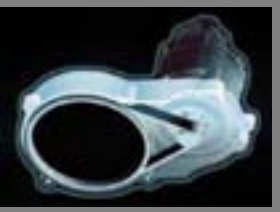
Soft grip switching, can be used one handed or two

PowerMax 36E

Powerful and convenient electric rotary lawnmower, features versatile 3 in 1 cutting system, large rear wheels and rear roller.

Specification	PowerMax 36E
Power	1500w PowerPlus
Cutting Width	36cm (precision metal blade)
Cutting Heights	5 (20-60mm)
Height Adjust	Central
Cutting System	3 in 1 Cut, Mulch, Discharge
Collection Capacity	40 Litres
Cable Length	15m
Soft Rubber Tyres	Yes
Rear Roller	Yes
Weight (unpacked)	12.4kg
Carton Dimensions	795 x 478 x 425mm
PNC	4037-28





PowerPlus motor for maximum cutting power

High performance precision ground blade for a perfect lawn finish

PowerPlus motor for maximum cutting power

Easy to remove and empty grass box that lifts through the handles

Versatile 3 in 1 cutting system with collect, mulch & rear discharge

Easy fold handles for quick, compact storage.

PowerMax 42E

Powerful and convenient electric rotary lawnmower, features versatile 3 in 1 cutting system, large rear wheels and rear roller.

Specification	PowerMax 42E
Power	1700w PowerPlus
Cutting Width	42cm (precision metal blade)
Cutting Heights	5 (20-60mm)
Height Adjust	Central
Cutting System	3 in 1 Cut, Mulch, Discharge
Collection Capacity	50 Litres
Cable Length	15m
Soft Rubber Tyres	Yes
Rear Roller	Yes
Weight (unpacked)	13.2kg
Carton Dimensions	795 x 580 x 425mm
PNC	4043-28

Electric & Cordless Chainsaws

GARDENA

CST 3518

Powerful electric chainsaw with high performance bar and chain for optimum cutting performance. Product features tool-less tensioning, safety indicators and wrap around handles for balanced operation.

Specification	CST 3518
Power	1800W
Overload Protection	Yes
Bar Length	14” / 35cm
Chain Speed	10m/s
Chain Pitch	3/8”
Kickback Protection	Yes
Tool-less Tensioner	Yes
Magnetic Bar Holder	No
Chain Oil Reservoir Window	Yes
Automatic Lubrication	Yes
Safety Indicators	Yes
Chain Oil Included	Yes (150ml)
Cable Length	4m
Weight (un-packed)	4.4kg
Carton Dimensions	565 x 255 x 280mm
Art. No	8860-28

Wrap around handle for well balanced operation with aluminium support strut.

Includes 150ml container of chain oil

Chain oil reservoir with viewing window.

Low kickback 35cm bar and chain with 10m/s chain speed.

Powerful 1800w motor.

Chain brake with chain brake ON and OFF indicator for clear use.

Tool-less chain tensioner allows easy chain adjustment without the need of tools.

Kick back zone indicator and assembly information for correct and safe use.

CSI 4020-X

Powerful & compact electric Inline chainsaw with high performance bar and chain for optimum cutting performance. Product features unique Quick-Fit tool-less tensioning system giving correct chain tension every time, safety indicators and wrap around handles for balanced operation.

Specification	CSI 4020-X
Power	2000W
Overload Protection	Yes
Bar Length	16” / 40cm
Chain Speed	15m/s
Chain Pitch	3/8”
Kickback Protection	Yes
Quick-Fit Tool-less Tensioner	Yes
Magnetic Bar Holder	Yes
Chain Oil Reservoir Window	Yes
Automatic Lubrication	Yes
Safety Indicators	Yes
Chain Oil Included	Yes (150ml)
Cable Length	4m
Weight (un-packed)	4.5kg
Carton Dimensions	608 x 258 x 222mm
Art. No	8863-28

Wrap around handle with soft grip for well balanced operation with aluminium support strut

Includes 150ml container of chain oil.

Chain oil reservoir with viewing window.

Low kickback 40cm bar and chain with 15m/s chain speed.

Powerful 2000w Inline motor provides a slim line design ideal for tight spaces

Unique **Quick-Fit** tool-less chain tensioner ensures the chain is always correctly tensioned. Features magnetic bar holder.

Kick back zone indicator and assembly information for correct and safe use.

CST 2018-Li NEW 2010

Lightweight Lithium Ion powered cordless chainsaw ideal for cutting and pruning. Product features tool-less tensioning, safety indicators and wrap around handles for balanced operation.

Specification	CST 2018-Li
Power	18v, 2.6 Ahr
Battery type	Li-ion (removable)
Interchangeable Battery	Yes

TrimMac 250 LS

An extremely lightweight trimmer perfect for homeowners. Equipped with curved shaft for excellent working position when trimming lawn edges and flowerbeds. Features Tap ‘n’ Go line feed and split shaft for easy storage.

Specification	TrimMac 250LS
Engine Displacement	25cc
Engine Power	0.75kw / 1hp
Easy Start	Yes
Cutting Width	41cm
Line Diameter	2mm
Feed Mechanism	Tap ‘n’ Go
Line Type	Nylon
Handle Type	Loop
Adjustable Handle	Yes
Shaft Type	Curved 19mm dia
Weight (unpacked)	3.6kg
Carton Dimensions	838 x 254 x 276mm
PNC	9527157-43

Split shaft for transportation and storage only.
Lightweight 25cc petrol engine
41cm cut with bump feed
Adjustable handle
Primer bulb and choke with easy start instructions

MAC 250CXL

Curved shaft petrol grass trimmer with the added versatility of a split shaft allowing the use of multi-tool attachments. Features Easy Start for up to 45% less pulling effort.

Specification	MAC 250CXL
Engine Displacement	25cc
Engine Power	0.75kw / 1hp
Clutch	Yes
Easy Start	Yes
Cutting Width	41cm
Line Diameter	2mm
Feed Mechanism	Tap n Go
Brush Blade	No
Split Shaft	Yes
Handle Type	Loop
Multi-Tool Attachments	Yes
Weight (unpacked)	5.7kg
Carton Dimensions	1029 x 267 x 254mm
PNC	9527156-97

Split shaft gives added versatility with the use of multi-tool attachments
Lightweight 25cc petrol engine with clutch
Tap n Go line feed with 2mm heavy duty line
Adjustable loop handle
Easy Start, requires 45% less pull force

MAC 2500CXL

Straight shaft petrol grass trimmer / brush cutter with the added versatility of split shaft allowing the use of multi-tool attachments. Features Easy Start and heavy duty line and brush blade for tackling demanding conditions.

Specification	MAC 2500CXL
Engine Displacement	25cc
Engine Power	0.75kw / 1hp
Clutch	Yes
Easy Start	Yes
Cutting Width	43cm
Line Diameter	3mm
Feed Mechanism	Fixed line (easy change)
Brush Blade	Yes
Brush Blade Diameter	20cm
Split Shaft	Yes
Handle Type	J - Cushioned
Multi-Tool Attachments	Yes
Weight (unpacked)	5.9kg
Carton Dimensions	1020 x 267 x 254mm
PNC	9527156-98

Split shaft gives added versatility with the use of multi-tool attachments
Lightweight 25cc petrol engine with clutch
Supplied with 3mm fixed line trimmer head and brush blade
Soft grip handle and shoulder strap for added comfort
Easy Start, requires 45% less pull force

CABRIO 433L

Versatile heavy duty Multi-tool, with clutched split shaft allowing the use of additional attachments. Features full crank engine and advanced EcoBoost engine technology for lower emissions, increased power & reduced fuel consumption.

Specification	CABRIO 433L
Engine Displacement	33cc
Engine Power	0.9kw / 1.2hp
EcoBoost Engine	Yes
Easy Start	Yes
Clutch	Yes
Cutting Width	43cm
Line Diameter	2.4mm
Brush Blade Diameter	20cm (4 teeth)
Anti-vibration	Yes
Full Crank	Yes
Split Shaft	Yes
Multi-Tool Attachments	Yes
Weight (unpacked)	6.6kg
Carton Dimensions	1003 x 311 x 260mm
PNC	9527157-45

Advanced EcoBoost engine technology for lower emissions, increased power & reduced fuel consumption.
Ergonomic grip with finger trigger throttle
Straight split shaft provides added versatility
Easy Start, requires less pull force
Extra heavy duty 2.4mm line with bump feed / brush blade also included

Petrol Hedge Trimmers

McCULLOCH

M DAHT 25

Powerful petrol hedge trimmer with anti-vibration for improved handling. Easy starting with dual reciprocating blades for excellent cutting performance.

Specification	M DAHT 25
Engine Displacement	25cc
Engine Power	0.75kw / 1hp
Blade Length	56cm
Blade Gap	19mm
Blade Type	Dual Reciprocating
Anti-vibration	Yes
Clutched	Yes
Primer	Yes
Weight (unpacked)	5.1kg

Integrated Combi key	Yes
Weight (unpacked)	5.5kg
Carton Dimensions	470 x 298 x 292mm
PNC	9528022-71

Advanced EcoBoost engine technology for lower emissions, increased power & reduced fuel consumption. Features easy access air filter
Magnesium Alloy clutch cover
Tool-less chain tensioning
High performance bar and chain combination
Soft Start for easy starting, reduces the pull force by up to 40%
Anti-vibration handles with soft grip

Petrol Blower Vacs

McCULLOCH

MAC GBV 325

High performance vertical scroll petrol blower vac with variable speed and mulching capability. Product features excellent balance eliminating gyration.

Specification	MAC GBV 325
Engine Displacement	25cc
Engine Power	0.7kw / 1hp
Variable Speed	Yes
Mulch Capability	Yes – Dirty Fan
Mulch Ratio	10 : 1
Blow Speed	322 Km/hr
Collection Capacity	45 Litres
Weight (unpacked)	4.4kg
Carton Dimensions	483 x 290 x 394mm
PNC	9527157-03

Lightweight design makes product handling easy. Variable speed gives a maximum blow speed of 322km/hr
In line grip with finger trigger throttle eliminates gyration
Handle position gives good balance in Vac
Easy change tubes from blow to vac
10 : 1 mulch ratio with 45 litre collection bag

MAC GBV 345

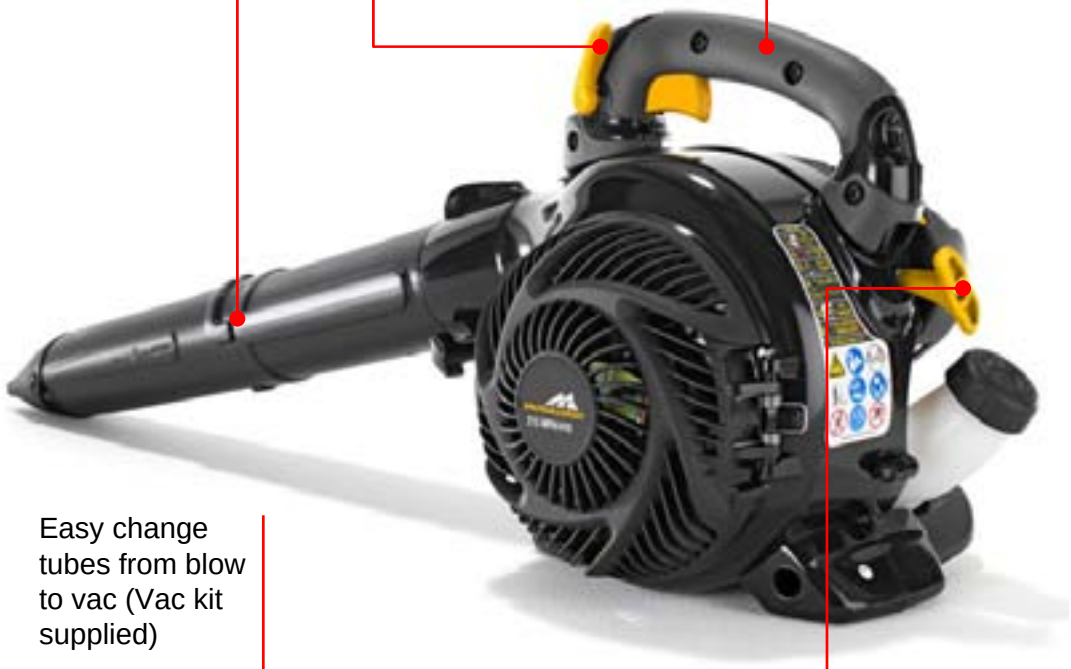
Best in class vertical scroll petrol blower vac with variable speed and mulching capability. Product features anti-vibration, cruise control and excellent balance eliminating gyration.

Specification	MAC GBV 345
Engine Displacement	25cc
Engine Power	0.7kw / 1hp
Variable Speed	Yes
Easy Start	Yes
Cruise Control	Yes
Anti-vibration	Yes
Vac kit	Yes
Mulch Ratio	16 : 1 (dirty fan)
Blow Speed	346 Km/hr
Collection Capacity	45 Litres
Soft Grip	Yes
Weight (unpacked)	4.4kg (blow mode)
Carton Dimensions	489 x 318 x 406mm
PNC	9527157-39

Variable speed gives a maximum blow speed of 346km/hr

Cruise control gives adjustable speed settings for comfortable use

Anti-vibration In line handle with soft grip eliminates gyration



Easy change tubes from blow to vac (Vac kit supplied)

Advanced design for easy starting
